The modified positions listed in field A5 were changed in the middle of the third quarter of PY 2016 to reflect the awards made to national grantees by the 2016 competition and changes to Equitable Distribution based on the latest Census data. Fields in the QPR that report or use modified positions, including core performance measures E1 and E5, cannot be accurately reported for the third and fourth quarters of PY 2016 or for the final end-of-year QPR for PY 2016. For this and other reasons related to the transition required by the national grantee competition, comparison with prior or future QPRs should not be made.
